

Live Modelling

from: Miscion Limited

Price: £3,000.00

Date: 2020-08-30 18:29:38

Expiration Date: 0000-00-00 00:00:00

Description

Empower your team with live modelling and maximise the impact of all advertising. Our econometric models hold the answers to any number of advertising related questions. With access to live data, your team can explore scenarios and self-serve the answers to their own specific questions – empowering them to deepen their understanding, elevate conversations and improve advertising effectiveness.
