The Luvme Hair "Body Wave or Water Wave Half Wig High Density Affordable 100% Human Hair Wig" emphasizes a half wig design, effortlessly blending with natural hair for a fuller look. This half wig, made from 100% human hair, ensures a realistic appearance while offering quick installation and removal within 2 minutes. It comes in natural black, with adjustable straps for a snug fit. The half wig's protective and glueless nature, coupled with its manageability, makes it a convenient choice for anyone seeking to enhance their hair volume and length.
