Prima Cura Training is a leading provider of professional training solutions, specialising in First Aid, Health & Safety & Social Care. We incorporate your organisations policies & procedures into delivery as standard, creating a skilled workforce. We take time to get to know your business and the skills you need so that we can design training solutions and bespoke programmes that empower your staff to grow and develop new skills. Our courses are taught by engaging, experienced, and qualified instructors who are enthusiastic about providing the

highest quality of training. Website:
